Coach Octavio DoValle has been the Men's Varsity coach at Richland High School since the inception of the soccer program in 1988. His coaching philosophy follows his Brazilian soccer roots, with a strong belief in attacking, flair, and creative style of play. That mirrors the Latin style of a possession game based on accurate passing and free movement.

Coach DoValle has led the Bombers (boys) to one State Championship, one second place and one third place finish. His teams have won four Regional State Tournaments, seven District and seven Big 9 Championships. Many of his players have gone on to play and coach at higher levels.
